YOU INTO
THE PAST

WELCOME TO THE HARMONY DOLLS

The Harmony Dolls are keeping the 40s Swing Era and the 50s/60s girl groups alive. Our combination of dynamic vocals, captivating choreography, toe-tapping tunes and classic costumes combine to transport you back in time for an experience you will never forget.

Statement from the Founder

Thank you for your interest in The Harmony Dolls. Born out of my love for the Andrews Sisters, instilled in me by my grandfather, and my passion to preserve their legacy, I founded this company in 2009. Soon after I added a holiday show and I later expanded into the genre of the girl groups of the 50s & 60s. My desire is to expose a new generation to these musical treasures, while allowing those who still remember to relive the musical experiences of their youth. For me, authenticity is key. Therefore our Andrews Sisters harmonies have been transcribed from the original recordings, commissioned by me, for our use only. Whenever possible we use vintage costumes rather than replicas, and we strive to stay true in other more nuanced ways, such as in our choreography, stage language and even the style of microphone we use.

Our dynamic, tight harmony trio entertains audiences of all ages at events ranging from patriotic USO events and Veteran commemorations, swinging weddings, festive holiday parties, casinos and cruise ships. With accompaniment options ranging from a big band to a small quartet and even backing tracks we are the perfect addition to every occasion. We look forward to enriching your next event.

THE HARMONY DOLLS CAN ACCOMMODATE ANY AND ALL SITUATIONS.

FROM INTIMATE BACKGROUND MUSIC TO A FULLY SCRIPTED SHOW WITH A BIG BAND, AND EVERYTHING IN BETWEEN.

TESTIMONIALS

"The Harmony Dolls were every bit as polished, talented and professional as I could have hoped! They tailored their performance to our Pearl Harbor Remembrance Ceremony, participating in the planning by suggesting appropriate songs which were interspersed throughout the program, and learning the Service Hymns Medley especially for the event. The attendees were effusive with praise for the group, and I got dozens of compliments on the authenticity of their performance. I couldn't imagine anyone doing a better job. They were the hit of the ceremony!"

DJ Stanhope

Bob Hope USO-Inland Empire Manager

"Such talented ladies whose voices are as beautiful as they are charming. They performed for my father's birthday, bringing him right back to his days of youth, dance and romance. It will go down as one of his greatest gifts ever."

Denise H.-Private Party

"Their lush 3-part harmonies melded flawlessly as they regaled the audience with 1940's swing. They played at our fundraiser and brought back a nostalgic time when people joined together for a single cause and their unique talents united the audience for OUR cause."

Jaxx Theatericals Fundraising Event

"The Harmony Dolls are phenomenal! I highly recommend them for any special event."

Travis P.

City of Tustin-Event coordinator

"They are amazing. The girls enthusiasm and love for what they do shines through in every song. Since our Holiday luncheon was on December 7th, and we had a WWII Christmas theme, they were the perfect compliment. We also received a special thanks from our Pearl Harbor survivor and guest speaker who said 'they took me back to my youth, it was truly enjoyable'. A sincere thanks for making our holiday luncheon a smashing success. "

THE HARMONY DOLLS SPECIALIZE IN TAILORING A SHOW TO SUIT YOUR EVENT!

Please note The Harmony Dolls is historically fictionalized, loosely based on the Andrew Sisters and the girl groups of the 50s & 60s. Times, places, story lines and biographies within the context of The Harmony Dolls, though purposefully emulating trios of those eras, have been created to give you an accurate depiction of being at a live show you would have experienced during that time.
